NITRO-BID went on to become as popular to me as
is to writing. Today it is the most widely prescribed oral nitroglycerin.

If you would like to receive patient starter samples of NITRO-BID, please
return the enclosed business reply card; be sure to indicate the dosage
strength. Questions regarding NITRO-BID samples can be directed to Jane
Snodgrass at 1-800-3MARION, ext. 4866.

NITRO-BID for exertional angina. Because a classic is always in vogue.

Thank you.

Yours truly,

Michele R. Flicker

Michele R. Flicker, M.D., Ph.D.
Associate Medical Director

MRF/1476

*This drug has been evaluated as possibly effective for this indication.
